Legal services for French clients in CEE

The PETERKA & PARTNERS French Desk is unique among law firms in Central and Eastern Europe. We have deep knowledge of French ambiance thanks mainly to the founder and Managing Partner of the firm, Ondrej Peterka. Mr. Peterka is dually qualified to practice both in Paris and the Czech Republic, has more than ten years of experience working directly in France and subsequently numerous years of providing legal services to French clients on their business operations in the Czech Republic and other CEE countries.

The PETERKA & PARTNERS French Desk team is composed of twenty bilingual French-speaking partners, associates and tax advisors who have lived, studied and worked in France and have thus a thorough knowledge of French and CEE cultures, legal jurisdictions, and commercial practices, which enables us to deliver tailor-made services in accordance with our clients' expectations.
