## LEGAL SERVICES FOR GERMAN-SPEAKING CLIENTS IN THE CEE

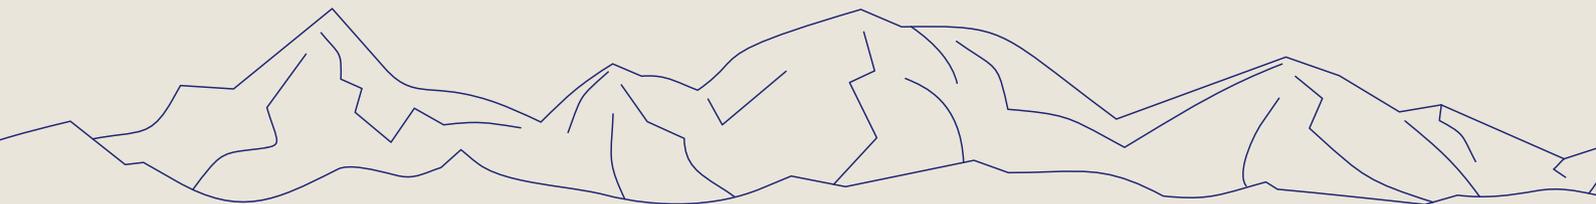

German speaking countries are an important trading partner for the CEE region. Many companies based in the DACH region have established legal entities in the CEE countries. Likewise, CEE based businesses are searching to expand to German speaking markets. Thus, the demand for legal services in German language is high.

The German Desk at PETERKA PARTNERS is the firm's main contact point not only for German-speaking clients but also for clients who have a strong connection with Germany, Austria, and Switzerland.
