STATE OF ALERT CAUSED BY COVID- 19 PANDEMIC CONTINUES IN ROMANIA

As of the 17 June 2020, the state of alert has been extended in Romania for an additional 30 days. Some of the main measures brought by Government Decision no. 476/2020 regarding the extension of the state of alert in Romania and the measures that are taken during this period for preventing and withstanding the effects of the COVID-19 pandemic envisage:

- The reopening of shopping malls – however, the playgrounds, arcades, cinemas, food courts therein will remain closed;
- The reopening of day-care centres, kindergartens and after-school activities during the summer holidays, under certain conditions;
- The reopening of gyms and outdoor pools, under certain conditions;
- The reopening of restaurants, under certain conditions;
- The possibility to organize sporting competitions, under certain conditions, and with no spectators;
- The postponement of flights to certain countries and the temporary closing of certain border crossing points.
